For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Board, at its discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) year immediately preceding, act to suspend such license for a period of one (1) year or more.

In the event of the sale of a business or business premises of the Licensee, the purchaser of such business or business premises must apply to the Village for reissuance of said license and the Village, as the licensing authority, shall in no way be bound to reissue said license to said subsequent purchaser.
- (b) Change of Agent. Whenever the agent of a legal entity holder of a license is or for any reason replaced the Licensee shall give the Village Clerk written notice of said replacement, the reasons therefore and the new appointment. Until the next regular meeting or special meeting of the Village Board, the successor agent shall have the authority to perform the functions and be charged with the duties of the original agent. However, said license shall cease to be in effect upon receipt by the Village Clerk of notice of disapproval of the successor agent by the Wisconsin Department of Revenue. All persons issued a license to sell alcohol beverages in the Village for which a quota exists limiting the number of such licenses that may be issued by the Village shall cause such business described in such license to be operated on the premises described in such license for at least one hundred fifty (150) days during the

- (19) Outdoor Sports Activities Regulated.

- (a) Purpose. The Village Board finds that restrictions are necessary for outdoor sports activities at premises holding “Class B” and Class “B” liquor and fermented malt beverages licenses due to concerns arising from noise, density and related problems. This Section enacted pursuant to police power provides a framework for regulatory controls on such outdoor sports activities.

The application shall be accompanied by payment of a fee of twenty-five dollars (\$25.00) for review of the application.
- (e) Review. The Village Board shall review the applications in light of the standards of this Section. If the nature of the property or the event requires the imposition of additional regulations, the Village Board may impose these regulations upon an express finding detailing the reasons for additional regulation.

- (f) Standards. The following standards shall apply to any outdoor sports activity regulated under this Section:
1. Approval of an application shall not act to permit outdoor consumption of alcohol beverages on the property beyond the area specifically licensed.
 2. If the estimated number of participants and spectators shall bring the number of persons on the property above the number for which licensed premises' restroom facilities are rated adequate, the Licensee shall provide a number of portable temporary restrooms sufficient to serve the estimated number of persons.
 3. The Village Board shall not grant approval to any applicant whose property on which the activity or event is proposed is adjacent to any property zoned residential or on which a residential use exists as a nonconforming use, or within seventy (70) feet of any property zoned residential or on which a residential use exists as a nonconforming use. For the purpose of this Section, any person holding a manager's license under Sec. 125.18, Wis. No person, including a member of the Licensee's or permittee's immediate family, other than the Licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A", Class "B", or "Class "C" license or permit unless he or she has an operator's license or is at least eighteen (18) years of age and is under the immediate supervision of the Licensee, permittee, agent or a person holding an operator's license, who is on the premises at the time of the service.

The investigating authority shall conduct an investigation of the applicant including, but not limited

to, requesting information from the State, surrounding municipalities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the investigating authority shall recommend, in writing, to the Village Board approval or denial of the application. If the investigating authority recommends denial, the investigating authority shall provide, in writing, the reasons for such recommendation.

(23) Operator License Fee; Provisional or Temporary Licenses.

(a) Fee. The fee for an operator license and provisional license shall be set by Resolution of the Village Board. There shall be no fee for a temporary operator license.

(b) Provisional License. The Village Clerk may issue provisional operator licenses in accordance with Sec. 125.17(5) Wis. Stats. The provisional operator license shall expire sixty (60) days after its issuance or when an operator's license is issued to the holder, whichever is sooner. The Village Clerk shall submit to the Village Board a report regarding the applicant's conviction history, if any. The applicant for such provisional license must present evidence to the Village Clerk establishing that the applicant is enrolled in an Alcohol Awareness Training Program established pursuant to Sec. 125.17(6), Wis. Stats. The Village Clerk may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his successful completion of the approved program, and the applicant shall also apply for a regular operator license. A provisional license may not be issued to any person who has been denied an operator license by the Village Board, who has had his operator license revoked or suspended within the preceding twelve (12) months, or who previously held an operator license and who has yet to complete the Alcohol Awareness Training Program. The Village Clerk shall provide an appropriate application form to be completed in full by the applicant. The Village Clerk may revoke the provisional license issued if he discovers that the holder of the license made a false statement on the application. A provisional license shall not be renewed.

- (c) Temporary License. The Village Clerk may issue a temporary operator license provided that:
1. This license may be issued only to operators employed by, or donating their services to, nonprofit corporations.
 2. No person may hold more than one (1) license of this kind per year.
 3. The license is valid for any period from one (1) day to fourteen (14) days, and the period for which it is valid shall be stated on the license.

(24) Issuance or Denial of Operator License.

- (a) Issuance. After the Village Board approves the granting of an operator license, the Village Clerk shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.
- (b) Appeal.
1. If the application is denied by the Village Board, the Village Clerk shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by registered mail to, or served upon, the applicant at least ten (10) days prior to the Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.
 2. If, upon reconsideration, the Board again denies the application, the Village Clerk shall notify the applicant in writing of the reasons therefore. An applicant, who is denied any license upon reconsideration of the matter, may apply to Circuit Court pursuant to Sec. 125. 12(2)(d), Wis. Stats., for review.
- (c) Criteria.
1. Consideration for the granting or denial of a license will be based on:
 - a. The financial responsibility of the applicant;

- b. The appropriateness of the location and the premises where the licensed business is to be conducted; and
 - c. Generally, the applicant's fitness for the trust to be reposed; and
 - d. Arrest and conviction record of the applicant, subject to the limitations imposed by Secs. 111.321, 111.322, and 111.335, Wis. Stats. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Board, at its discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.
2. If a Licensee is convicted of an offense substantially related to the licensed activity, the Village Board may act to revoke or suspend the license.

(25) Training Course.

- (a) Training Course Required. Except as provided in Subsection (b) below, the Village Board may not issue an operator license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical and adult education district and that conforms to curriculum guidelines specified by the board of vocational, technical and adult education or a comparable training course that is

approved by the educational approval board or unless the applicant fulfills one of the following requirements:

1. The person is renewing an operator license.
 2. Within the past two (2) years, the person held a Class "A", Class "B", or "Class C" license or permit or a manager's or operator's license.
 3. Within the past two (2) years, the person has completed such a training course.
- (b) The Village Board may issue a provisional operator license to a person who is enrolled in a training course under Subsection (a) above and shall revoke that license if the applicant fails to successfully complete the course in which he or she enrolls.
- (c) The Village Board may not require that applicants for operator licenses undergo training in addition to that under Subsection (a), but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection (a).
- (26) Display of License.
Each license issued under the provisions of this Chapter shall be posted on the premises whenever the operator dispenses beverages or be in his possession, or carry a license card.
- (27) Revocation of Operator's License.
Violation of any of the terms or provisions of the State law or of this Chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license.
- (28) Penalties.
- (a) Any person who sells or possesses with the intent to sell, alcoholic beverages and who does not hold the appropriate license or permit shall, upon conviction, forfeit not more than \$10,000 together with the costs of prosecution.
- (b) Any person who violates any provision of this Section for which a specific penalty is not provided, shall forfeit not more than \$1,000. Any license or permit issued to the person under this section may be revoked by the court. If a person is convicted of a second or subsequent offense in the same license year as a prior conviction,

in addition to the penalty herein provided, any license issued to the person under this section shall be forfeited.

- (29) Severability and Conflict. If any section or part of this Ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby.
